

Captain Evaluation of Your Preview Dinner Experience

Please candidly answer the three questions about your last Preview Dinner experience.

1. Did you encounter any issues with the volunteers that we should be aware of (such as inappropriate dress, tardiness. etc.)?

2. Was everyone able to perform all volunteer duties? If not, name those who were not able.

3. What changes would you make in your process, if you were a Captain next year?

Your Name: _____ Date of the Preview Dinner: _____

Thank you for your support, involvement and assistance!
